Ms. Schlosser reviewed her calculations and said it was based on a 25% occupancy on the lots. The commissioners had questions on the fees the Town will be charged for transactions paid by credit card. Mrs. Monica Miebach, Treasurer for the Parking Authority joined the meeting at this time. She explained the customer will be charged a .35 cent transaction fee to pay by credit card. The gateway fee the vendor will absorb since they will be charging us a monthly fee for their services.

A long discussion ensued on the new kiosks and their capabilities. Ms. Wood-Rosso explained the main purpose of acquiring the new machines is for efficiency and repairs. Our current machines are quite old and are constantly in need of repair. The current vendor most times take about two (2) weeks to come out to do service. This results in a loss of revenue. Ms. Oswin stated the review of fees is the focus at this time. Any questions the commissions have can be researched before executing a contract with vendor.

The commissioners asked for the following questions to researched:

1. Does the app have the capability to automatically charge if a person goes over the time limit?
This would cut down on enforcement and generate more revenue.
2. Can cameras be added at a later date as an upgrade to monitor cars leaving the lot and if they owe money?
3. Can we find out how other Towns use this app?
4. Can monthly/quarterly/annual and overnight passes be purchased through the app?
5. What would be the cost of acquiring a second Ipad, so the police could issue tickets.

The commissioners then reviewed the proposed fee changes. A long discussion on the fees took place and the only change they suggested was for the overnight passes. The commissioners offered the increase go from \$15 to \$25 with the annual fee being \$300. The commissioners also asked if stickers could be placed on the kiosks alerting those that are entitled to park for free such as those handicapped placard.

c. Review of Purchase Ledgers for Parking Passes – January, February, and March 2022 – No discussion.
